ABOUT US

API (Apostolic People International) is a network of ministries and business leaders around the world, working together in unity and fellowship for the expansion of the Kingdom of our Lord Jesus Christ.

Our focus is to build covenant heart relationships with one another so that the Body of Christ can be in unity, demonstrate power, compassion and love, and extend the influence of the Kingdom of God into all sectors of society.

As a network we seek to unite the Body of Christ and to extend the Kingdom of God.

As a network we do not unite based on gifting, function and influence, but rather we seek to build covenant heart relationships that lead to long-lasting fruit.

As a network we do not seek only to build buildings and structures, but we value people — just as Jesus did above all — and therefore we seek to build with people who are prophetic and apostolic pioneers by nature; people who build with their hearts.

As a network we also seek to equip and educate ministers, business leaders and the Body of Christ.

MEMBERSHIP WITH API

API has a global vision of working together apostolically and prophetically with ministers, ministries and business leaders who are pioneers inspired by the Holy Spirit to build the Kingdom of God, reaching the lost and taking the message of the Kingdom of Jesus Christ into all the earth.

We are Apostolic Pioneers

We believe that God is raising up an apostolic generation in this season that will work together to build the Body of Christ so that the end-time harvest may be reached. As an apostolic people we are called to build, set up and establish Kingdom structures that will cultivate change and transformation not only in our churches, but also in our communities. We seek to network with ministers, ministries and business leaders around the globe to establish Kingdom structures such as:

- ❖ Churches & home churches
- ❖ Bible colleges and universities
- ❖ Pre-schools, primary schools and high schools
- ❖ Orphanages
- ❖ Community outreach centres
- ❖ Kingdom businesses
- ❖ Kingdom leaders networks

We are Prophetic Pioneers

We also believe that as an apostolic network working together to achieve the goals that the Holy Spirit has given to us, we are also called at this time and in this season to be a voice in the earth.

Nothing can be established unless the Lord speaks it out. One of the ways God uses prophetic pioneers in relationship to apostolic people is that He allows them to speak His mind.

We believe that God is raising up a generation of prophetic people that will not be silent, but that will speak forth His mind. These pioneers will not conform to religion, populism or even political correctness — they will be a generation that speaks the Word without compromise.

Our heart is to nurture and raise up such a network of accountable prophetic pioneers within the Body of Christ.
